

BRITISH HOT TUBS

**BHT T400S
SWIM SPA**

Introducing the British Swim Spa range - proudly designed in the UK.

An appreciation for heritage without being defined by it, quirky, stylish and fun.

Our amazing range of Swim Spas has been designed exclusively for you and your family. You can choose every zone of your Swim Spa to personalise the perfect aquatic exercise experience.

Exclusively designed in the UK – specifically for our precious customers, and our inclement climate, our exclusive Swim Spa range offers more exercise options, is energy efficient, environmentally friendly and above all – our Award Winning swim spas are the best in the industry

With the addition of the unrivalled Turbine technology, you can benefit from a true swimming experience that can be personalised to suit you!

PROUDLY DESIGNED IN THE UK

We have invested 12 months and a huge budget in creating the right partnership, the right designs and the right processes - this is important to us to ensure that our customers will buy a product that is reliable, safe and energy efficient.

Our range of 13 hot tubs feature the very best available innovations and North American parts and components.
